

## Product Datasheet

# Apple iPhone 15 Pro

iPhone 15 Pro. Forged in titanium.

iPhone 15 Pro is the first iPhone to feature an aerospace-grade titanium design, using the same alloy that spacecraft use for missions to Mars.

Titanium has one of the best strength-to-weight ratios of any metal, making these Apple's lightest Pro models ever. Your customers will notice the difference the moment they pick one up.

## Specifications

	<b>Battery</b>	Li-Ion, non-removable
	<b>Screen Size / Type</b>	6.1" Super Retina XDR OLED display
	<b>Screen Resolution</b>	2556 x 1179 pixel resolution at 460 ppi
	<b>Main Camera</b>	48MP (Main) 24mm, f/1.78 aperture, 2nd-gen sensor-shift OIS   12MP (Ultra-wide) 13mm, f/2.2 aperture and 120°   12MP (2x Telephoto) 48mm, f/1.78 aperture, 2nd-gen sensor-shift OIS   12MP (3x Telephoto) 77mm, f/2.8 aperture OIS
	<b>Selfie Camera</b>	12MP (Wide) f/1.9 aperture
	<b>Memory</b>	128GB / 256GB / 512GB / 1TB
	<b>OS</b>	iOS 17
	<b>Wi-Fi</b>	YES
	<b>Bluetooth</b>	5.3, A2DP, LE
	<b>GPS</b>	YES
	<b>NFC</b>	YES

<b>Technology</b>	GSM / CDMA / HSPA / EVDO / LTE / 5G
<b>Sim Type</b>	Dual SIM (Nano-SIM and eSIM) / Dual eSIM support
<b>Chipset</b>	A17 Pro chip
<b>CPU</b>	New 6-core CPU (2 performance and 4 efficiency cores)   New 6-core GPU   New 16?core Neural Engine
<b>Memory Type</b>	Internal
<b>Video</b>	4K recording at 24/25/30/60 fps   1080p HD recording at 25/30/60 fps   720p HD recording at 30 fps
<b>Sound</b>	Yes, with stereo speakers
<b>Charging Type</b>	USB-C / MagSafe / Qi
<b>Fast Charging</b>	YES
<b>Wireless Charging</b>	YES
<b>Colours</b>	Contact your Account Manager
<b>IP Rating</b>	IP68 dust/water resistant (up to 6m for 30 mins)
<b>Build</b>	Glass front (Corning-made glass), glass back (Corning-made glass), titanium frame (grade 5)
<b>Dimensions</b>	146.6 x 70.6 x 8.25 mm
<b>Weight</b>	187g
